---

Neither of these bridges can constructed from Govt funds proper - Both are on Roads maintained from District Funds - The levy of tolls at both these bridges seems desirable. The whole of the toll revenue may be credited to District Funds (Please see ll Nos 1 & 2).

The Rajpur Bridge proposes for Rs 1 per the same rates as those sanctioned for Belur - For Yedatore Rs similar rates may be sanctioned -

The Deputy Commissioner,

To

The Secretary to the
Government of Mysore,
General and Rev. Departments.

Sir,

I have the honor to state that the Holé Narsipúr Bridge on the Hemavati was completed and opened for traffic in October last. As the Road being on the Bridge is maintained from the District Fund; the District Fund Board during its meeting held on the 8th November 1878 resolved that Toll should be levied on the Bridge and application should be made to Government for sanctioning the same.

2 - According to the Government Proceedings

Share copy sent up

Proceedings no. 8433-37 Dated 21st January 1898,
Mus: 1679

the levy of toll on the Hodalore Bridge was postponed until the Hole Narsipur Bridge was completed. From this, it may be inferred that Government intend levying tolls on the new Bridge at one and the same time, but the present reference concerns only the Bridge at Hole Narsipur and is situated within the limits of this District.

3 —— I have therefore the honor to request that you will be so good as to obtain Government sanction for the levy of Toll on the Hole Narsipur Bridge with effect from the 1st of January 1899 at the rates fixed for Belur Bridge and also for the entertainment of the necessary staff to work it as sanctioned for Belur. —

I have the honor to be,

The points on which orders are requested are (1) whether the exemption of Govt: servants travelling on duty from the levy of tolls, specified in the footnote to the Schedule of rates (sl 2 11(a)) sanctioned for the Hole Narsipur Bridge is intended to be of general application + (2) if so, whether this can be considered to have effect retrospectively in which case so as to affect a case in connection with the Marnahalli Toll gate.
